LIQONINE
THE FOOD MEDICINE, SWEET AS SUGAR
THIS TRADE MARK ON EVERY BOTTLE

Countless grave sicknesses are recognized by the medical profession as having their direct or indirect cause in a neglected cold or cough. Kerr's flax seed emulsion, Liqonine, is most helpful. Medicine knows no surer healing agent for the inflamed mucous membranes of nose, throat and lung passages. Thus while Liqonine is removing colds, coughs and bronchitis it is also nature's chief aid in restoring vitality.

JEWETT CITY
The death of former Consul George Corey at his home in Jewett City is of particular interest to Griswold people. He was born in this town, the son of Mary Rathbun and Dwight Corey. His first wife was Carrie Tuck, daughter of Elder Tuck of the Jewett City Congregational church. He has a sister, Mrs. James Kennedy, living in Lisbon, besides nephews and nieces in that town.

Mr. Corey lived in Jewett City, where he was chairman of a committee to elect Mr. Corey to the office of state auditor. He was later appointed harbor collector of revenues in New York. For some time he was associate pastor of Plymouth church in Brooklyn, and he also had charge of wayward young men who were brought in court for various offenses. At one time there were one hundred boys under his care, who wrote him frequently, as they were required to do.

He was appointed by Chinamen of New York, chairman of a committee to go to China, and layout an American club to correspond in all points to cities here. It took him a week to go through the ceremony of visiting the president, as he was then called "China." The president was much impressed with the idea, but the situation of the city was found not to be feasible.

Mr. Corey was an intimate friend of Mark Hanna. He was a lecturer of considerable note.

The annual meeting of the Jewett City Cemetery association was held in the town building Tuesday afternoon. The following directors were elected: D. D. Tracy, T. E. Lee, A. R. Brown, A. R. Young, G. H. Prior and J. P. Gorman. F. I. Ray was elected superintendent of the cemetery and G. H. Prior and R. J. Gray auditors. At the close of this meeting the directors met and elected D. D. Tracy president, A. R. Brown, secretary and treasurer. The receipts for the year were \$626.01 and the expenditures \$483.85, leaving a balance for the working fund of \$142.06. The permanent fund is \$7,462.45.

Mr. and Mrs. W. P. Montgomery, Mr. and Mrs. H. E. Paul, Mr. and Mrs. John Harris and daughter, Mrs. J. P. Pace, Mrs. Samuel Cathcart and Miss Belle Hodge were in Plainville Sunday to attend the unveiling of the tablet in memory of the soldiers of the late war from St. Paul's Episcopal parish.

The Ladies' Aid society of Pachang church has elected Mrs. J. P. Richardson president, Mrs. George Geer, vice president, and Mrs. W. R. Montgomery, secretary and treasurer. The society has had a very successful year.

Stop That Nagging Backache!

Is a dull, nagging backache making you miserable? Do sharp, knife-like pains go through you at every sudden move? Do you feel weak, tired, all worn out—as if you just can't keep going? It's time, then, you found out the cause of the trouble and made some effort to correct it. Quite likely it's your kidneys. A cold, strain or overwork has probably weakened the kidneys and that is why you suffer that dull, depressing backache, and those sudden, stabbing pains. You may have daily headaches, too, with spells of dizziness and some annoying kidney irregularity. Don't wait until serious or chronic kidney disease sets in. Get back your health while you can. Use DOAN'S KIDNEY PILLS. DOAN'S have helped scores of Norwich folks. They should help you. ASK YOUR NEIGHBOR!

STORRS HENS PRODUCING ABOVE A YEAR AVERAGE
The eleven week of the egg laying contest at Storrs found the total production 16,929 eggs. The number of eggs laid during the week was 297 or 29.4 per cent. This week's production is 167 more eggs than the six year average and 88 less than last week's production. For the first time since the contest started, last November, the White Leghorns captured first and second places and tied for fifth place for the week. James O. LeFevre's pen of Leghorns from New Paltz, N. Y., was an easy first with a total of 46 eggs. A pen of White Leghorns owned by Ernest H. Scott, Farmington, Conn., was second with a production of 44 eggs. A pen of Rhode Island Reds owned by Charles H. Lane, Southboro, Mass., a pen of Barred Rocks owned by W. H. B. Kent, Cazenovia, N. Y., and a pen of Rhode Island Reds owned by Henry P. Walker, Hudson, Mass., all tied for third place with a yield of 42 eggs each. A pen of White Wyandottes owned by Obed G. Knight from Bridgewater, Rhode Island, was fourth with a total of 39 eggs. A pen of Barred Rocks owned by Oregon Agricultural College, Corvallis, Oregon, a pen of Rhode Island Reds owned by The Orchards, North Haddam, Mass., a pen of Leghorns owned by A. B. Hall, Wallingford, and a pen of Leghorns owned by A. P. Robinson, Calverton, N. Y., all tied for fifth place with a yield of 38 eggs each.

The unsettled weather conditions make this season of the year interesting, not only in egg laying contests, but more especially in the general egg markets. The continued mild weather in the region has had a tendency to increase the supply of eggs not only in the central west but in the east and thus the market has had a tendency to fall during the past few weeks.
